

## Consist Rite Food Thickener

### DESCRIPTION

Consist Rite Food and Drink Thickener from Donmar Foods is a reliable, high-performance thickening agent designed specifically for commercial kitchens. This versatile thickener helps chefs and foodservice professionals achieve the perfect consistency in a wide range of applications, from soups, sauces, and gravies to desserts, dressings, and beverages. The product is also ideal for people with swallowing problems, who have difficulty consuming regular foods and liquids.

### USAGE

**CONSIST-RITE** is a high performance, cold swelling (CWS) modified food starch. It is particularly well suited for instant food preparations subjected to severe processing like microwaving or milling. It exhibits excellent dispersibility and imparts superior sheen, clarity and smoothness when compared to traditional pre-gelatinized starches.
